

Home Learning Instructions

Subject: DT Year 8	Week: 6 12.10.20
Objectives: Design a bag for a set target market, use what you already know and research typical designs.	
Learning activities (in order to be completed): You are to design a bag for either an elderly lady or for a child starting school. What will you need to consider with the elderly lady? think size, handles, how they may carry the bag, the design, the material and the motif. For a young child the same applies although children need something with a wow factor. Use research to inform your style, colour and design. Think of hitting the largest target market, how will you do this? Produce 4 design ideas select and develop one, annotate key information and considerations. If you can produce a mood board of sample fabrics, drawings, motifs. Research mood boards to help you. Your presentation should be to a quality standard, think going to pitch at the Dragons den programme. Time to wow me!! Over to you.	
Resources: Computer or tablet to access the internet if possible. Pen, paper, pencil, magazines, fabric, coloured pencils, ruler	
Key vocabulary: design, target market, moodboard,	
When work has been completed, please send to your teacher at redwards@windsorpark.staffs.sch.uk using your school email account.
