

## Home Learning Instructions

---

**Subject: DT year 7**

**Week: 6 12.10.2020**

**Objectives:**

**Using your prior knowledge of chocolate packaging and typography design your puggly packaging.**

**Learning activities (in order to be completed):**

**Produce a catchy logo, plan out the colours you want to use along with a name for your product.**

**Remember you will need some key information on toy packaging. Research the typical things you may find on toy packaging, think of ways to hook the consumer.**

**Get drawing and if you can make a prototype from card of your packaging, even better!**

**Your text (graphics) must be planned using measuring, even spacing and typography.**

**Resources:**

**Pencil, coloured crayons, pen, ruler, card, computer**

**Key vocabulary: biomimicry, design, puggly, germs, bacteria, typography, graphics, consumer hook.**

When work has been completed, please send to your teacher at redwards@windsorpark.staffs.sch.uk using your school email account.
