

Home Learning Instructions

Subject: Learning for Life year 6	Week: 7
Objectives: To understand the dangers of fireworks.	
Learning activities (in order to be completed): <i>The last week before half term October we always look at Firework safety due to Halloween and Bonfire weekend coming up.</i> <i>1. Please look at the Powerpoint on Firework safety and create a poster explaining the fire work code. The poster needs illustrations and colour.</i> <i>2. Read the reading comprehension on Firework Safety and write the answers on a piece of paper or on the computer.</i>	
Resources: Powerpoint and reading comprehension.	
Key vocabulary: <i>Firework, safety, code, sparklers, protection, categories.</i>	
When work has been completed, please send to your teacher at @windsorpark.staffs.sch.uk using your school email account.
