Dear Parents and Carers

As we look ahead to the new academic year, I wanted to share an update regarding our form group arrangements for September.

At Windsor Park, we recognise how important it is that our youngest students feel welcomed, supported and confident as they begin their middle school journey. To help our new Year 5 students settle into life at Windsor Park, we have made the decision this year to introduce two Year 5 form groups. This will provide our youngest students with additional opportunities to build relationships, become familiar with routines and develop a strong sense of belonging within our school community.

The remaining students across Years 6, 7 and 8 will be organised across 9 form groups. When creating these groups, our priority is to ensure that students have the opportunity to work alongside a range of peers, develop positive friendships and feel connected to the wider Windsor Park community. Students will be remaining in their current houses, with form groups being made up of a selection of students from each year group in a vertical form style system.

Form time is an important part of the school day, providing children with the opportunity to connect with their form tutor, strengthen relationships, take part in wider school activities and receive support and guidance throughout the year.

Your child's form tutor will be in contact within the first few days of the academic year to introduce themselves.

We are very much looking forward to welcoming all of our students back in September and beginning another exciting year together. Thank you for your continued support.

Yours sincerely

Mrs A Grattage
Executive Headteacher
Windsor Park CofE Middle School & Ryecroft CE Middle School
