Dear Parent/Carer,

I am writing to let you know about a delay to this year's Key Stage 2 (KS2) test results, which affects all schools nationally.

Schools were due to receive results on 7th July 2026. However, Pearson Education Limited, the provider responsible for administering, marking and returning Key Stage 2 results to schools, has informed the Department for Education of a delay affecting the national system used to make results available to schools. Results will now be available to schools on 16th July 2026.

Importantly, the delay is not related to the quality of the tests or the accuracy of pupils' results. Test papers have been marked in line with the usual processes, and the delay is purely administrative.

This is a national issue affecting all schools and is outside schools control. It will not impact your child directly, and no action is required from parents or pupils.

Once we receive the results on 16th July, we will process them as quickly as possible and share them with you. We appreciate your patience while we await their release.

Thank you for your understanding.

If you have any questions, please do not hesitate to contact us.

Yours sincerely,

Mrs A Grattage

Executive Headteacher
