

14th July 2026

Dear Parents and Carers,

As we come to the end of another academic year, the Board of Trustees would like to take this opportunity to thank you for your continued support of our schools and the wider Trust. Education is most successful when schools and families work together, and we are grateful for the encouragement, trust and partnership that you provide throughout the year. Your support plays a vital role in helping children and young people to flourish both academically and personally.

In common with schools nationally, this year has brought its challenges, but it has also been one of significant success and continued progress across our schools. We have seen many examples of success and achievement across our schools with excellent pupil outcomes and continued improvements in the quality of education and wider opportunities available to our children and young people. We are especially proud of the exceptional achievements of our pupils which reflect their hard work, the support of their families and the dedication of our staff.

Having reviewed the progress made across our schools during the past year, the Board is delighted with the way our schools have embraced and contributed to the Trust strategy and vision. We are united in our belief that meaningful and sustained improvement is built on a clear vision, strong leadership and an unwavering commitment to continuous development. We are encouraged by the progress being made across the Trust and remain fully confident in the Chief Executive Officer and school leaders as they continue to drive improvement and create greater opportunities for all pupils.

Underpinning this progress is the deep dedication and professionalism of our staff. Across the Trust, every member of staff, whatever their role, plays an essential part in providing high-quality education, care and opportunities for all pupils. From teachers and leaders to teaching assistants, administrative staff, premises teams and catering colleagues, all work tirelessly to support our children and young people.

We continue to invest in professional development opportunities across all levels of the organisation, empowering colleagues to strengthen their expertise and grow as leaders. We have also been delighted to make successful appointments to three Headteacher positions, ensuring strong leadership for the future and further strengthening the capacity of the Trust.

Alongside these developments, the Trust has continued to invest in its schools and communities. This year and next will see the completion of significant improvements to

facilities within one of our schools, providing enhanced learning environments that will benefit pupils for many years to come. Such developments are an important part of our commitment to ensuring that all pupils have access to high-quality educational provision.

We would also like to take this opportunity to recognise and thank our Local Governors for the invaluable contribution they make to our schools. Through their engagement, challenge and support, they play a vital role in helping schools to deliver the Trust's vision and priorities at a local level. Local Governors give generously of their time and expertise, supporting school leaders, celebrating successes and ensuring that the needs of pupils and communities remain at the forefront of decision-making. On behalf of the Board of Trustees, I would like to express our sincere gratitude for their dedication and service throughout the year.

We are very proud of the collective efforts of our pupils, staff, governors and families, and we remain committed to working together to ensure that every child is given the opportunity to succeed and thrive.

On behalf of the Board of Trustees, thank you once again for your support throughout the year. We wish all our pupils, families, staff and governors a happy, safe and restful summer break, and we look forward to the opportunities and successes that the new academic year will bring.

Yours sincerely,

Colin Haswell

Chair of Trustees
On behalf of the Board of Trustees
