15 July 2026

Dear Parents and Carers,

I am delighted to let you know that, from September, we will be introducing a Breakfast Service for all students at Windsor Park.

The service will be available from 7:45am each morning and will be open to any child who wishes to attend before the start of the school day. Our school kitchen will be open, offering a range of breakfast items that children can purchase if they wish.

Children attending the Breakfast Service will be supervised by school staff in the dining room until the start of the school day, providing a safe, welcoming environment in which to begin their morning. There will be no charge to attend the Breakfast Service. The only cost will be for any food or drinks that children choose to purchase.

For our new Year 5 parents, we understand that some families may be interested in after-school childcare arrangements. Whilst we are unfortunately unable to offer an after-school club on site at present, we have been working with one of our Trust schools to provide support for families requiring this provision.

From September, Year 5 children will be able to attend the Happy Hours After School Club at Picknalls First School. Arrangements will be in place for Windsor Park children to be safely transported there at the end of the school day by Windsor Park staff.

Further details, including timings, costs and booking information, will be shared with families who require this provision. To help the club plan for September, please email office@wpms.i2e.org.uk by 6:00pm on Thursday if you are interested, and we will ensure your details are passed on to the Happy Hours team.

We hope these arrangements will help support families whilst providing children with a positive and settled start and end to their day.

Thank you for your continued support. We look forward to welcoming children to these new services in September.

Yours sincerely,

Mrs A Grattage

Executive Headteacher
