15 July 2026

Dear Parents and Carers,

I am delighted to let you know that from September, we will be introducing a Breakfast Service for all students.

The service will be available from 7:45am each morning and will be open to any child who wishes to attend before the start of the school day. Our school kitchen will be open, offering a range of breakfast items that children can purchase if they would like to.

Children attending the breakfast service will be supervised by school staff in the dining room until the start of the school day, providing a safe and welcoming environment for them to begin their morning.

There will be no charge to attend the breakfast service. The only cost will be for any food or drinks children choose to buy.

We hope this new provision will help support families with morning routines while giving children a positive and settled start to their day.

Further information regarding the breakfast items available will be shared closer to the start of term.

Thank you for your continued support, and we look forward to welcoming children to this new service in September.

Yours sincerely,

Mrs A Grattage

Executive Headteacher
