Dear Parents and Carers,

We are very excited to announce that our **School Book Fair** will be **running from 1st October to 14th October 2026!**

We want to make this a wonderful opportunity for our children to **discover new books, explore different stories and authors, and find books that they are genuinely excited to read.**

During the book fair period, each class will have the opportunity to visit the fair during an English lesson. Children will be encouraged to browse the selection of **age-appropriate books** and choose titles that capture their interest.

How will it work?

1. Explore the books

During their English lesson, children will visit the book fair with their class and have time to look through the books available.

2. Create a Wish List

If your child finds books they would love to read, they can record their choices on a **Wish List form** to bring home.

3. Share their choices with you

We encourage children to talk to you about the books they have chosen and why they would like to read them. This is a lovely opportunity to talk about their interests and encourage reading at home.

4. Purchase online through Scholastic

If you would like to purchase any of the books from your child's Wish List, **all purchases must be made online through Scholastic.**

Please follow the purchasing instructions provided on the Wish List form. Once your order has been placed, **please return the completed Wish List to school** so that we can arrange for the books to be supplied.

We hope the book fair will inspire our children to see reading as something to enjoy, explore and share. Whether they love adventure, humour, mystery, fantasy, animals, sport or fascinating facts, there will be opportunities for them to discover something that sparks their imagination.

Every book a child chooses is another opportunity to read, learn, imagine and grow.

Thank you for your continued support in encouraging your child to read and for helping us to make our book fair a special celebration of books and reading.

Happy reading!

Kind regards,
Mrs V Brookes
Lead for English
