As an inclusive Church of England school, who aim to provide transformational experiences for all God's children within our care, the teachings of Jesus are at the heart of all we do. Whilst striving for excellence, we celebrate achievement in all its forms encouraging pupils and staff to live life in all its glory and flourish.

OUR MISSION

Our broad and balanced curriculum takes a holistic approach to education ensuring that spirituality, emotional intelligence, physical development, academic excellence and social skills are developed creatively across a range of school subjects.*
- 2. Deliver a safe space for children to develop philosophical and theological thinking through Religious Education as a core subject; delivering inspirational lessons which bestow upon pupils the skills to understand Christianity as a living and diverse faith, whilst teaching a knowledge and respect of other faiths and world views.*
- 3. Value education in its widest sense; building on our history and Christian foundations, making the most of today in order that we can make even more of tomorrow and the days, weeks, months and years that lie ahead. This is Learning for Life: 'teach me good judgement and knowledge' Psalm 119:66*
- 4. Foster respect for all God's children; embracing difference and diversity and teaching all to live well together in an inclusive, welcoming community, supporting each other to remove or cross barriers and live with dignity and respect.*
- 5. Reinforce the Christian values and beliefs that will make our children good people: kind, honest, forgiving and courageous.*
- 6. Care deeply about our pupils' and staff wellbeing and mental health, appreciating that it is the genuine quality of relationships that matter. We strive to support each other to flourish, achieving happiness and fulfilment.*
- 7. Encourage our pupils to approach local and global communities with a deep sense of integrity, justice, responsibility and courageous advocacy; identifying and challenging injustice.*
- 8. Collaborate primarily with St Mary the Virgin church to share the teachings of Jesus through inspirational collective worship. Develop, deliver and evaluate opportunities for pupils and adults to express spirituality through varied worship experiences.*
- 9. Encourage and nurture exploration, creativity and compassion with unlimited and unbounded energy. At Windsor Park learning is not a spectator sport.*

1. Introduction

The school is committed to the Freedom of Information Act 2000 and to the principles of accountability and the general right of access to information, subject to legal exemptions. This policy outlines our response to the Act and a framework for managing requests.

2. Background

The Freedom of Information Act 2000 (FoIA) came fully into force on January 1st 2005. Under the Act, any person has a legal right to ask for access to information held by the school. They are entitled to be told whether the school holds the information, and to receive a copy, subject to certain exemptions.

The information which the school routinely makes available to the public is included in the Publication Scheme. Requests for other information should be dealt with in accordance with the statutory guidance. While the Act assumes openness, it recognises that certain information is sensitive. There are exemptions to protect this information.

The Act is fully retrospective, so that any past records which the school holds are covered by the Act. The DfES has issued a Retention Schedule produced by the Records Management Society of Great Britain, to guide schools on how long they should keep school records. It is an offence to willfully conceal, damage or destroy information in order to avoid responding to an enquiry, so it is important that no records that are the subject of an enquiry are amended or destroyed.

Requests under the FoIA can be addressed to anyone in the school; so all staff need to be aware of the process for dealing with requests. Requests must be made in writing, (including email), and should include the enquirers name and correspondence address, and state what information they require. They do not have to mention the Act, nor do they have to say why they want the information. There is a duty to respond to all requests, telling the enquirer whether or not the information is held, and supplying any information that is held, except where exemptions apply. There is no need to collect data in specific response to a FoIA enquiry. There is a time limit of 20 days excluding school holidays for responding to the request.

For further information and guidance, see the DfES document “Freedom of Information: guide for academies” which can be found on www.gov.uk.

3. Scope

The FoIA joins the Data Protection Act and the Environmental Information Regulations as legislation under which anyone is entitled to request information from the school.

Requests for personal data are still covered by the Data Protection Act. (DPA). Individuals can request to see what information the school holds about them. This is known as a Subject Access Request, and must be dealt with accordingly.

Requests for information about anything relating to the environment – such as air, water, land, the natural world or the built environment and any factor or measure affecting these – are covered by the Environmental Information Regulations (EIR). They also cover issues relating to Health and Safety. For example queries about chemicals used in the school or on school land, phone masts, car parks etc. would all be covered by the EIR. Requests under EIR are dealt with in the same way as those under FoIA, but unlike FoIA requests, they do not need to be written and can be verbal.

If any element of a request to the school includes personal or environmental information, these elements must be dealt with under DPA or EIR. Any other information is a request under FoIA, and must be dealt with accordingly.

4. Obligations and Duties

The school recognises its duty to:

- provide advice and assistance to anyone requesting information. We will respond to straightforward verbal requests for information, and will help enquirers to put more complex verbal requests into writing so that they can be handled under the Act
- tell enquirers whether or not we hold the information they are requesting (the duty to confirm or deny), and provide access to the information we hold in accordance with the school's procedures.

5. Publication Scheme

Windsor Park Middle School has adopted the Model Publication Scheme for Schools approved by the Information Commissioner.

The Publication Scheme and the materials it covers is available from the School office and it is also be published on our website www.windsorpark.staffs.sch.uk

6. Dealing with Requests

We will respond to all requests in accordance with these procedures.

We will ensure that all staff are aware of the procedures.

7. Exemptions

Certain information is subject to either absolute or qualified exemptions.

When we wish to apply a qualified exemption to a request, we will invoke the public interest test procedures to determine if public interest in applying the exemption outweighs the public interest in disclosing the information.

We will maintain a register of requests where we have refused to supply information, and the reasons for the refusal. The register will be retained for 5 years.

8. Public Interest Test

Unless it is in the public interest to withhold information, it has to be released. We will apply the Public Interest Test before any qualified exemptions are applied.

9. Charging

We reserve the right to refuse to supply information where the cost of doing so exceeds the statutory maximum.

10. Responsibilities

The Governing Body delegates the day-to-day responsibility for compliance with the FoIA to the Headteacher

The Headteacher will coordinate enquiries and be a point of reference for advice and training.

11. Complaints

Any comments or complaints will be dealt with through the school's normal complaints procedure.

We will aim to determine all complaints within 15 days of receipt. We will publish information on our success rate in meeting this target. The school will maintain records of all complaints and their outcome.

If on investigation the school's original decision is upheld, then the school has a duty to inform the complainant of their right to appeal to the Information Commissioner's office.

Appeals should be made in writing to the Information Commissioner's office. They can be contacted at:
