Dear Parents, Staff and Students,

I hope this letter finds you well. I would like to take a moment to thank you all for your unwavering patience and understanding while we have been investigating the issues related to RAAC (Reinforced Autoclaved Aerated Concrete)

We instructed Surveyors to Education to undertake an identification survey on our schools and I am delighted to share with you that none of our school buildings have been constructed using RAAC.

Once again, I extend my thanks and appreciation for your patience and support throughout this process.

Should you have any further questions or concerns, please do not hesitate to contact me.

Best wishes,

Kerry Rochester
