Dear Parents/Carers

As we return for the Summer term, we have changed our management information system in school. We previously used SIMs, but in line with many other schools in the Uttoxeter Learning Trust, we have moved to a package called Arbor.

Over the next few weeks, we will be embedding the changes that are necessary for staff before opening up the parent (and pupil) portal.

Initially, there will be little difference for yourselves as parents/carers. You may notice that email communications come from "Windsor Park Middle School" or from staff by name, instead of coming from Schoolcomms.

We may contact you to clarify information that has been transferred to Arbor to ensure that all information we hold is up to date and correct.

Yours sincerely

Mrs Bailey

Deputy Headteacher
