Dear Parents/Carers

Y8 Trip to “The Big Bang” UK Young Scientist and Engineers Fair

Dear Parent/Guardian

The Science department have organised a trip to the NEC on Thursday, 19th June, open to broaden their understanding of science both to give a wider understanding of the role of science in the workplace and to generally inspire them.

We will leave school at 11.30am and anticipate returning by 5.30 pm. Pupils will require a packed lunch, those who receive pupil premium will have one provided for them. Pupils are expected attend the trip in normal school uniform. Mobile phones will be permitted to take photos of the exhibits, however misuse of phones will be dealt with in line with the school policy.

If you have already expressed an interest, we will need for you to pay £13.50 on Parent Pay by Friday, 28th February and confirm permission for your child to take part, if you are in receipt of pupil premium this will be £4.50. This needs to be confirmed by the person with parental responsibility. Apologies for the short date as we have a provisional booking for the coaches that expires in March. If you have not expressed an interest and you would still like to attend we do have another 6 places available.

Please note that all payments are unfortunately non-refundable.

We are very much looking forward to an exciting and enjoyable day.

Yours sincerely

Mrs J Pritchard
Teacher of Science

Mr G Jones
Teacher of Science
