Dear Parents and Carers

School Uniform Update – September Implementation

As part of our ongoing commitment to maintaining high standards and a consistent appearance across the school community, we have recently undertaken a review of our school uniform policy.

From **September**, we are updating our expectations regarding the girls' uniform. Going forward, **girls who choose to wear skirts will be expected to wear knee-length pleated skirts**, which are widely available from all main school uniform suppliers. In addition, **tights should be worn with skirts** as part of the standard uniform.

Please note that **girls may still choose to wear trousers if they prefer**, and this remains an acceptable option.

Expectations of boys' uniform remains the same and no changes have been made.

This updated expectation will **apply to all new pupils joining the school from September and to any student who needs to purchase new uniform**. However, we understand that some families may already have suitable uniform in good condition. Therefore, we are implementing a **phased approach**, and do **not expect parents to replace uniform immediately** if it is not needed. We do kindly ask that the new skirt style be adopted **whenever a replacement is required**.

We appreciate your support in helping us maintain a smart and unified school appearance. Should you have any questions or require further clarification, please do not hesitate to contact the school office.

Thank you for your continued support.

Yours sincerely

Mrs A Grattage
