

### Headteacher's Message

It has been a wonderful start to the summer term with some outstanding work, sporting activities and creative opportunities here at Windsor Park.

As we move into the term, we are continuing to encourage pupils to be ready for learning each day. Arriving at school on time and with the correct equipment helps children settle quickly and start each lesson positively.

Having the right pens, books and other essentials may seem like a small thing, but it makes a real difference to confidence, organisation and learning. These everyday routines help pupils make the most of their time in school and support the calm, purposeful atmosphere we value so highly.

Thank you, as always, for your continued support at home.

Mrs Grattage

**Executive Headteacher**

### School Equipment

We have noticed that some pupils are arriving without the correct equipment. While items do get lost or broken, pupils must come to school prepared each day.

Having the right equipment helps pupils settle quickly, stay focused and take part fully in lessons. Without it, learning time is lost. Please check equipment regularly and replace items when needed. Being ready to learn each day is an important part of success at Windsor Park.

- Blue Handwriting pens
- Green biros
- Pencils
- Erasers
- Ruler
- Sharpener
- Prittstick

**24.06.26:** Summer Show

**25.06.26:** Worship Team, Dovedale House

## Learning Beyond the Classroom @ WPMS

It's been another busy and positive week at Windsor Park. Our Reading Ambassadors have begun their training, developing the skills to promote a love of reading across the school. After-school rugby clubs have been full of energy, teamwork and enthusiasm, while Nature Club has continued to provide pupils with a calm and engaging space to explore the outdoors. It's fantastic to see so many pupils getting involved in school life beyond the classroom.
